

Tallahassee Composite Squadron

CADET APPLICATION

Cadet Name:

Date:

Last

First

M.I.

Instructions

First of all, we're thrilled that you are taking the next steps to join our squadron. Our Charter Number is **SER-FL-432**. You'll need this for the applications.

To get started, visit <https://tlhcap.github.io/CAPF15.pdf>, fill it on your computer and print it. You may fill by hand if needed. This form is needed for our local records. You only need to mail this to National HQ if you choose not to apply online in the next step.

Next, complete the online application at <https://capmembers.com/cadetjoinonline> and submit the application fee payment by credit card, which will cover your first year of National and Florida Wing dues.

Finally, fill this form with your emergency contact and sizing information and submit to squadron leadership. Please submit Local/Squadron dues with this application (\$50 payable to **Tallahassee Composite Squadron**) or discuss arrangements with the Commander.
